

THE CAPRA

SAAS-FEE

Dear Guest,

A warm welcome to The Brasserie.

Our menu is inspired by the farm to table philosophy: fresh, local ingredients sourced from farmers and artisans who are as passionate about quality as we are. We call it the luxury of simplicity – an honest cuisine.

Our wine list features many of the exceptional wines of the Valais. Our mountain region is blessed with some of the highest and oldest vineyards in the Alps, which produce an extraordinary variety of grapes. Valais wines are one of Switzerland's best kept secrets. In addition, we have found some outstanding wines from neighboring valleys.

Together with **Peak Health**, a collaboration of medical and wellness experts in Switzerland and across the globe, we have incorporated within our menu dishes that help keep blood sugar levels balanced and boost metabolism whilst providing energy and a wealth of micronutrients. These items are marked with **PH**.

If you have any allergies or dietary requirements, please let us know. We will be happy to prepare something especially for you.

Enjoy your meal!
